SHARCNET
Research Day 2011

The premier annual event at which SHARCNET professors, postdoctoral and graduate students meet to learn about each other's HPC-related research. The theme is "HPC Innovation for Research".

Call for Contributions

We invite you and your research group to attend SHARCNET Research Day 2011 and present your work.

Please register for the event at: www.sharcnet.ca/events/RDay2011

After registration, you can submit an abstract for an oral presentation or poster by following the link on the registration webpage, or you can come back any time later to submit an abstract by following the instructions on the webpage.

The event is free and lunch will be provided. We're looking forward to seeing you at Research Day 2011!
