SHARCNET
ResearchDay2012

The premier annual event at which SHARCNET professors, postdoctoral and graduate students meet to learn about each other's HPC-related research.

Call for Contributions

We invite you and your research group to attend SHARCNET Research Day 2012 and present your work.

Please register for the event at: www.sharcnet.ca/events/RDay2012

After registration, you can submit an abstract for an oral presentation or poster by following the link on the registration webpage, or you can come back any time later to submit an abstract by following the instructions on the webpage.

The event is free and lunch will be provided. We're looking forward to seeing you at Research Day 2012!

May 23, 2012
University of Guelph
Science Complex Atrium

KEYNOTE SPEAKERS
Jim Chelikowsky, University of Texas, Austin
"Answering Dirac's Challenge: Using Quantum Mechanics to Predict the Properties of Materials"
Ming Li, University of Waterloo
"Information Distance from a Question to an Answer"

SHARCNET RESEARCH DAY WILL FEATURE
• two invited keynote presentations by leading HPC researchers
• several parallel tracks of contributed presentations
• a poster session with prizes for best posters in several categories
• selected papers will be published in a Special Issue of the Journal of Computational Science

IMPORTANT DATES
May 6:   deadline for oral presentation abstracts
May 11:   notification of acceptance for contributed oral presentations
May 11:   release of final program
May 16:   deadline for online poster abstract submission
May 16:   deadline for registration (registration is free but required)
May 23:   SHARCNET Research Day 2012 at University of Guelph
TBA: Final paper submission deadline
