

SHARCNET Research Day 2010

The premier annual event at which SHARCNET professors, postdocs and graduate students meet to learn about each other's HPC-related research. The theme is "HPC Innovation for Research".

Call for Contributions

We invite you and your research group to attend SHARCNET Research Day 2010 and present your work.

Please register for the event at:
www.sharcnet.ca/events/RDay2010

After registration, you can submit an abstract for an oral presentation or poster by following the link on the registration webpage, or you can come back any time later to submit an abstract by following the instructions on the webpage.

The event is free and lunch will be provided. We're looking forward to seeing you at Research Day 2010!

May 6, 2010 York University

TORONTO, ONTARIO, CANADA

KEYNOTE SPEAKERS

David H. Bailey, Lawrence Berkeley National Laboratory
"Computing as the Third Mode of Scientific and Mathematical Discovery"

Mikko Karttunen, University of Western Ontario
"Modelling Membranes, Proteins and Biology: Studying the Fundamentals by Computer Experiments"

SHARCNET RESEARCH DAY WILL FEATURE

- keynote presentations by leading HPC researchers
- several parallel tracks of contributed presentations
- a poster session with prizes for best posters in several categories

IMPORTANT DATES

April 8: deadline for abstracts – contributed oral presentations

April 15: notification of acceptance for contributed oral presentations – release of final program

April 29: deadline for online abstract submission – posters

April 29: deadline for registration (registration is free but required)

May 6: SHARCNET Research Day 2010 at York University, Curtis Lecture Hall
