

## Fellowships & Dedicated Resources Round VIII Call for Proposals

SHARCNET has issued a call for proposals for Round VIII of SHARCNET's Research Support Programmes: Fellowships & Dedicated Resources.

- Applications for this round are for **Dedicated Resources ONLY!** The Round VIII guidelines are available at:  
[http://www.sharcnet.ca/Documents/SN\\_ded\\_application\\_guidelines.pdf](http://www.sharcnet.ca/Documents/SN_ded_application_guidelines.pdf) .
- Applicants may also register an “intent to apply for an award” at <https://www.sharcnet.ca/my/profile/intent/>, via the SHARCNET webportal. This will add your name to a temporary mailing list; this list will be the only way in which communications (including corrections and updates) will be made about the resource allocation round after the initial email to [general@sharcnet.ca](mailto:general@sharcnet.ca) . Note that completing the "intent to register" is not a requirement for submitting a Round VIII application.
- A separate Research Support Programmes FAQs has been created to address common questions from previous rounds. This is available online along with the application form.
- An information session has also been scheduled on **March 27, 2008 from 2:00 to 3:30 p.m.** to assist users in understanding the guidelines and application process. The session is available over SHARCNET’s AccessGrid, or contact Barb Auttersson ([barb@sharcnet.ca](mailto:barb@sharcnet.ca)), if a phone line is required.

The web-based application form for Round VIII is available on the SHARCNET website at:  
[https://www.sharcnet.ca/Portal/resource\\_application/](https://www.sharcnet.ca/Portal/resource_application/) .

*\*\*\*Note that users must have a SHARCNET webportal account in order to access the application form.\*\*\**

**The deadline for Round VIII is April 30, 2008**
