

Introduction to Training Coordination Team

Sergey Mashchenko
SHARCNET, McMaster University

Origins

- Informal training collaborations between consortia and regions
- EOT (Education, Outreach, Training) group:
https://wiki.computecanada.ca/staff/Education,_Outreach,_Training
- Training microteam:
<https://wiki.computecanada.ca/staff/Training-microteam>

New team

- Training Coordination Team:

https://wiki.computecanada.ca/staff/Training_Coordination_Team

- Formed in late 2017; reports to SLC.
- Currently 11 members from all the regions and collaboration and communications national teams.
